These petitions coming up for preliminary hearing in B group today, the Court made the following:

ORDER

The case of the petitioners is that they were carrying on the business in aluminium in the Krishnarajendra Market building. It is the further case of the petitioners that their trade was classified as hardware instead of aluminium. Ultimately that mistake was corrected by changing the trade of the petitioners as aluminium in place of hardware. Now, what cases the petitioners want is that their/be considered for allotment of shops in the area ear-marked for aluminium in the market building.

made  
2. If the petitioners have/any such applications for allotment of the shops to do the business in aluminium in market building the same shall be considered by the Corporation,

u

taking into account that they were carrying on the business in aluminium in the old market building. If the petitioners have not made applications the petitioners are permitted to make applications for allotment of shops in Krishnarajendra Market within fifteen days. If such applications are filed within fifteen days seeking for allotment of the shops in the new market building, the same shall be considered by the respondent-Corporation.

With these observations these writ petitions are disposed of.
